Deposit checks and/or cash into your account without an envelope.

Insert your card, enter your PIN and select deposit

To deposit checks, simply select "deposit checks" on the ATM screen. Next, instructions will appear on the screen and you will insert your check(s) into the slot on the bottom left side of the ATM. The slot will open when the machine is ready.

To deposit cash, simply select "deposit cash" on the ATM screen. Next, instructions will appear on the screen and you will insert your cash into the slot on the bottom left side of the ATM. The slot will open when the machine is ready.

Instantly verify your deposit

For check deposit: Review the image of your deposited check(s) and the deposit amount on the ATM screen.

For cash deposits: Review the details and denominations of your cash deposit on the ATM screen.

Your receipt

Your receipt will include an image of the check(s) you deposited or your cash amounts by denomination. For your protection, your account number and routing number on the check image will be blacked out. In addition, your account number on the receipt will be abbreviated.
