

June 1, 2020

Farmers State Bank would like to thank our customers and communities for your patience and support over the last few months.

We have been working on steps to provide more convenience to our customers at the appropriate time. We believe it is important to balance customer convenience with the safety of our employees and customers.

Beginning June 1<sup>st</sup>, our Angola, LaGrange, Shipshewana and Topeka branch lobbies will be open to customers. All other branches will continue to remain open through the Drive Up and Walk Up options. We ask our customers to follow the safety guidelines established at the branches when visiting us in person.

Those customers who do not wish to visit a branch can still do their banking by using one of our electronic banking options that are available 24/7. Those options include:

- Online Banking with Bill Pay (view transactions, transfer money, pay bills and more)
- Mobile Banking with Mobile Deposit (deposit checks, view transactions, transfer money, pay bills and more)
- Text Banking (check balances, transfer money, view recent transactions, set up text alerts and more)
- Telephone Banking – 260.463.0111 or 866.463.1110 (check balances, confirm deposits, transfer money and make FSB loan payments)

Access to all ATMs remain available 24/7 as well.

Be sure to follow us at GoFSB.com, Facebook and Twitter to stay connected and get the latest FSB news and updates. As always, we are here to *Make a Difference*. Please reach out to our Blue Button Bankers with any questions.

Sincerely,  
Joe Urbanski, President/CEO
