

May 5, 2020

All of us at Farmers State Bank would like to thank our customers and communities for your patience and support as we navigate through this challenging time. We look forward to a time when we can invite our customers back into our lobbies to do their banking.

We continue to follow Governor Holcomb's guidance on reopening and loosening certain restrictions but we want to make sure we do so with the safety of our customers and employees as our top priority. We have taken steps and are currently awaiting resources for making our lobbies safe to open.

For now, our offices continue to remain open through our Drive Up and Walk Up options. Anyone who would like to open an account, access a safe deposit box or apply for a loan can do so by calling any of our branches at 888.492.7111.

As always, all of our electronic banking options are available 24/7. Those options include:

- Online Banking with Bill Pay
- Mobile Banking with Mobile Deposit
- Text Banking
- Telephone Banking – 260.463.0111 or 866.463.1110

Many of the day to day transactions can be done electronically, for example, checking an account balance, viewing transactions, transferring money and much more. Access to our ATMs remain available 24/7 as well.

We will continue to update you as we work to develop a plan to reopen our lobbies. Be sure to follow us at GoFSB.com, Facebook and Twitter to stay connected and get the latest FSB news and updates.

As always, we are here to *Make a Difference*. Please reach out to any of our Blue Button Bankers with any questions.

Sincerely,
Joe Urbanski
President/CEO
