

July 13, 2020

Beginning July 13th, our Angola, LaGrange, Shipshewana and Topeka branch lobbies will be open to customers. All other branches will continue to remain open through the Drive Up and Walk Up options. We ask our customers to follow the safety guidelines established at the branches when visiting us in person.

Those customers who do not wish to visit a branch can still do their banking by using one of our electronic banking options that are available 24/7. Those options include:

- Online Banking with Bill Pay
- Mobile Banking with Mobile Deposit
- Text Banking
- Telephone Banking – 260.463.0111 or 866.463.1110

Access to all ATMs remain available 24/7 as well.

Be sure to follow us at GoFSB.com, Facebook and Twitter to stay connected and get the latest FSB news and updates. As always, we are here to *Make a Difference*. Please reach out to our Blue Button Bankers with any questions.

Sincerely,
Joe Urbanski, President/CEO
