

November 18, 2020

Farmers State Bank Customers and Communities,

2020 has definitely proved to be a challenging year to say the least. We've been closely monitoring the Coronavirus Pandemic and working with local health and county agencies to provide the best service, yet keep our employees and customers safe at the same time.

Due to the increase in the number of COVID-19 cases in our area we are modifying access to our branch lobbies in some of our offices. **Effective Wednesday, November 18th the following offices will be Drive Up and Walk Up only: Fremont, Hamilton, Howe, Millersburg, Stroh and Sturgis.**

Our Wolcottville office is closed until Friday, November 20th and will be Drive Up and Walk Up only when it re-opens. Please feel free to call 888.492.7111 to make an appointment if you would like to open an account or apply for a loan at any of these offices.

Effective, Thursday, November 19th our Angola and LaGrange offices will also be Drive Up and Walk Up only. Likewise, appointments can be made if you'd like to open an account or apply for a loan.

At this time, our Topeka and Shipshewana lobbies remain open. We will send out further communication if that changes.

CONSISTENT WITH STATE AND LOCAL ORDERS – FACE MASKS ARE REQUIRED IN ANY/ALL FSB LOBBIES.

As always, we encourage you to use any one of our digital options if you do not feel comfortable visiting a branch in person. Those options include:

- **Online Banking** – check balances, transfer funds, pay bills and more
- **Mobile Banking** – check balances, transfer funds, pay bills, deposit checks and more
- **Telephone Banking** – check balances, confirm deposits, transfer money and more
- **Text Banking** – check balances, transfer money, view history, set up text alerts

All of our ATM locations are available as well. Visit GoFSB.com to view a listing of branch and ATM locations.

We continue to do everything we can to keep our locations safe for our employees and customers including requiring masks per the State of Indiana/Michigan, keeping socially distant (staying 6 feet apart), frequent hand washing, cleaning and hand sanitizing.

Thank you for your continued support of FSB. We are truly thankful for our customers and the communities we serve.

Joe Urbanski, President and CEO
