

**The following branch lobbies will be OPEN for
customers beginning June 1, 2020.**

- Angola
- LaGrange
- Shipshewana
- Topeka

All other branches remain Drive Up and Walk Up only.

The following is to ensure the safety of our employees and customers:

- Please make an appointment for any new account or loan needs.
- Only two customers together per visit. No children at this time.
- FSB has employed enhanced cleaning and disinfecting protocols for all locations. We will regularly clean high touch surfaces as a part of these procedures.
- Please avoid touching surfaces, if possible.
- All employees and customers will have access to hand sanitizer or have the ability to take other personal hygiene measures such as washing hands. Employees will be encouraged to take frequent breaks to wash their hands.
- FSB strives to comply with social distancing measures established by the CDC, including maintain six-foot social distancing for both employees and members of the general public when possible and/or employing other separation measures such as wearing face coverings or using barriers.
- **All customers will need to remove hats, sunglasses and masks when inside the bank lobby for identification purposes. If you are uncomfortable with this, please continue to use the Drive Up or Walk Up.**

Thank you for understanding as we try to keep everyone safe and healthy.

We appreciate your business very much!
